

American Veterans Committee Goals

- Combat American Intervention in other countries, bringing our troops home to perform domestic duties such as disaster relief and civil service alongside the National Guard
- combat the military-industrial complex
- Organize pro-labor events and engage in electoral politics when needed
- Promote fraternal relationships with International and National Veteran's Associations
- Re-directing the War Budget to provide products and services at home
- Curtailing militarization of the educational as envisioned by ROTC and Junior ROTC in our schools.
- Ensure Equality and Justice for all in the Military by combatting all forms of discrimination such as sexism, racism, LGBT+ discrimination, ethnic and national discrimination.
- Raise awareness of US Military Ecological Pollution and begin a pro-environment program
- Push for GI Economic Programs that would alleviate joblessness and homelessness.

U.S. MILITARY - LARGEST SOURCE OF Greenhouse Gas Emissions

The result-

\$850 billion dollars.

Democrats and Republicans in Congress just passed the most bloated military budget ever. That means \$850 billion worth of additional fossil fuel emissions financed by the U.S. war machine.
